PROFILE

Computer Science student at Ain Shams University with an interest in Artificial Intelligence and Data Science. Currently developing programming skills in C++ and Python and gaining practical knowledge through the Digital Egypt Pioneers Initiative (DEPI). Motivated to build strong technical skills and gain practical experience in the technology field.

EDUCATION

Ain Shams University — Faculty of Computers and Information

GPA: 3.4

EXPERIENCE

Digital Egypt Pioneers Initiative (DEPI)

AI & Data Science Track | 6-Month Training Program

- Gained hands-on experience in problem solving using Python, along with data manipulation and analysis using NumPy and Pandas libraries.
- Utilized core tools and environments including Docker and Anaconda for managing data science workflows and project deployment.

SKILLS

Technical

- Programming: C++, Python
- Libraries: NumPy, Pandas
- Tools: Docker, Anaconda, GitHub

Soft

- Persuasion
- Communication
- Problem Solving

PROJECTS

- Hackathon System

LANGUAGES

- Arabic: Native
- English: Intermediate
